

Before the show:

Print Zoom: 120%

Print 3-5 blank sheets for each individual judge on letter size paper.

These will be used by each judge to submit their scores (they will not turn in individual sheets for each band)

Some judges may want an extra sheet to use as their own recap sheet throughout the show. Others will bring their own.

The "Additional Captions" only has two sub-captions for each judge. If your sheets have more than two sub-captions you will need to add the sub-captions

During the show:

Judges will use "sheet 1" to enter all Class A bands before turning in the sheet.

At the end of Class A, each judge will be given a new sheet for Class AA

The tabulator will enter all Class A scores on the individual judge's tab in the spreadsheet. (No scores can be entered on the "Recap" spreadsheet)

At the end of Class AA, judges can be given their "sheet 1" again to score Class AAA.

IMPORTANT: Once you get to the last class, you will need to exchange sheets with each judge after each band.

This will allow you to input scores in a timely manner as you get close to the end of the show.

If there are breaks during the show, the chief judge may ask you to print the classes that have been entered to that point. This will allow the judges to verify their numbers to that point in the show. This will make verification quicker at the end of the show.

After All Scores Are Entered:

You will need to print each individual judge's scores for them to verify. They will need to sign the final copy to verify their numbers are correct.

Once ALL judges have verified their numbers:

Print the "Awards" tab for the announcer. NOTE: you will have to write in some awards once the sheets have printed.

These may include "Pit Crew", "Drumline of the Day", "Spirit Award", etc

Finally, print enough copies of the "Recap" and "Additional Captions" tab for each band. PRINT ZOOM: 80%

; and enter the total score only
